FleetForce Truck Rental is a direct response to customer demand. New Way Trucks' customers have expressed a need for a rental variant of its popular line of refuse trucks, and the company has responded, forming FleetForce Truck Rental!

The company has revolutionized the waste management industry since its inception in 2015, and remains the only refuse truck rental program with vehicles offered directly from the manufacturer.

FleetForce offers a full-lineup of work-ready trucks and the industry expertise to match customers to the right vehicle. The company provides a strong solution to the fleet issues faced by every waste management company or municipality, allowing custom rental agreements on front loaders, rear loaders and automated garbage trucks. Because FleetForce is part of New Way, its trucks are available for immediate delivery, meaning customers can get the truck on the road as soon as possible.

Whatever your reason for renting, FleetForce offers a smooth, swift rental process, moving a top-of-the-line refuse truck from the factory to your fleet in no time.

Nationwide Dealer Network

FleetForce has the largest nationwide dealer network to support your rental equipment, keep you on route, and minimize your downtime.

Flexible & Simple Process

Not the cable company! Working with FleetForce is easy with a simple agreement, a large in-stock, ready-to-ship inventory, and competitive pricing.

Short & Long Term Options

Do you have seasonal collection programs, maintenance woes, or a new contract start-up? FleetForce has your short or long-term solution when and where you need it.

Direct from the Manufacturer

FleetForce remains the only refuse truck rental program with vehicles offered directly from the manufacturer. Our New Way Trucks fleet is built by us and for us so you are guaranteed factory-trained support through our New Way Trucks dealer network.

Specifications depend on chassis choice, body size and other factors. Smaller rear loaders and under-CDL models are also available on request.

Looking for flexible refuse equipment rental options?

New Way FleetForce™ Rentals remains the only refuse truck rental operation that lets you rent in-demand refuse equipment directly from the original equipment manufacturer. Our rental and work-ready fleet is built by us and for us, ensuring you always get factory-trained support through our industry-leading New Way Trucks Distributor Network.

New Way's FleetForce Rentals program is designed to service your refuse collection fleet needs and has the right equipment when you need it most. Units available for rent include rear loaders, front loaders, automated side loaders, and under-CDL models mounted on industry-leading chassis brands. FleetForce offers both short and long-term rentals and will work with you to develop a custom rental schedule based on your fleet's needs.
